Brighten the holidays for youth and their families!

**Make this a special holiday by giving to
Fred Finch Youth Center's Annual Holiday Gift Drive!**

Help us provide gifts to the more than 500 youth we serve on a daily basis throughout California. We need your support to help families and individuals who face some of the toughest challenges. We seek to provide a continuum of high quality programs for the care and treatment of children, youth, young adults and their families by providing mental health treatment and support and by promoting wellness and recovery.
