

School Based Services

Antioch Unified

School-Based Services offers school site-based mental health services designed to help youth learn to succeed in school and improve interpersonal relationships.

Eligibility

Referrals are received through the Care team process at our partnering schools. These services are provided through our partnership with John Muir Health and a contract with County Children's behavioral Health (medi-cal).

Partnering SBS School Sites

- Antioch High School
- Deer Valley High School
- Dozier-Libby Medical High School

About Us

The School-Based Services (SBS) program provides mental health services designed to help youth learn to increase positive school outcomes, decrease need for higher levels of care, and improve social and family relationships.

Services Include:

- Individual and family therapy
- Group therapy
- Consultation with educational staff
- Reinforcement of and guidance on behavioral interventions
- Crisis support
- Treatment plan collaboration and guidance
- Parent/family support
