

# Fred Finch

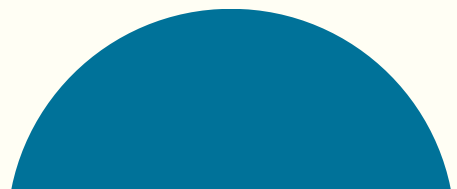

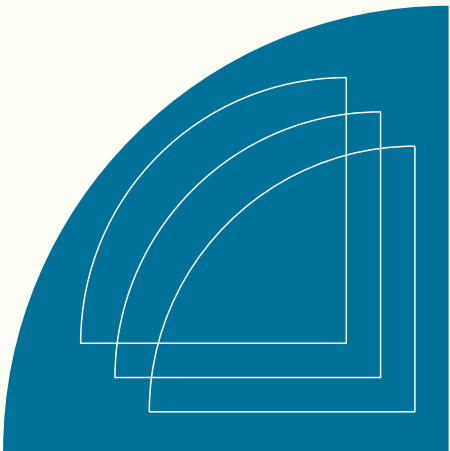

Youth & Family Services

11TH ANNUAL

Impact Celebration

September 17, 2026

6-9PM

# 11th Annual Impact Celebration

September 17, 2026

## Sponsorship Opportunities

Fred Finch Youth & Family Services partners with children, youth, and their families who are navigating significant and complex challenges, including trauma, neglect, substance use disorders, domestic violence, mental illness, developmental differences, and poverty. Grounded in the belief that no one is without hope, Fred Finch is committed to family-centered care as the foundation for achieving the best possible outcomes. Across our specialized residential programs, community-based wraparound services, and mental health programs, we build upon the unique strengths of each participant, empowering them to lead meaningful and fulfilling lives.

Founded in 1891 as an orphanage in Oakland, Fred Finch has evolved into a leading provider of comprehensive services across nine California counties, operating more than 20 programs. Today, our services span mental health care, housing, education, and independent living support—creating pathways to healing, stability, and self-sufficiency. With a 135-year legacy of service and a strong track record of impact, Fred Finch is widely recognized as a leader in serving children, youth, and families.

The 2026 Impact Celebration will honor Fred Finch's profound impact on vulnerable youth and families throughout California. The evening will feature a powerful story shared by a former participant or family member and will culminate in the presentation of the **11th Annual John F. Steinfirst Community Award**.

**This event is scheduled for Thursday, September 17, 2026 at 6pm  
BLOC15, 252 2nd St, Oakland, CA 94607**
